Re: Rodriguez vs. Scherer  
Docket # CIV-07-3035 (PGS)

Dear J. Sheridan:

You issued the within order in March as the case settled for Angela Rodriguez and Francisco Pineda and a proposed settlement was pending for the infant Jawced Rodriguez. We filed an infant's compromise petition for the infant, however that petition has been rejected by Judge Lisbeth Gonzalez of the Bronx Civil Court. At this time it appears that she will not approve the settlement at this time.

We therefore must request that this action be restored and that your Order of March 24, 2008 be vacated with respect to the infant. I believe it would be appropriate to schedule a hearing or a mediation (before a discovery order is submitted and before discovery proceeds) so we can discuss this matter and decide how best to proceed. As the defendant has not yet appeared in this action I am forwarding a copy of this request to the carrier.

Thank you for your involvement in this matter.

Very truly yours,

  
Gene L. Chertock, Esq.
